

Welcome, [Customer Name]

Thank you for shopping at [Merchant Name]. Here at MESH® we understand the need for security. So, we created the most secure digital payment platform in history.

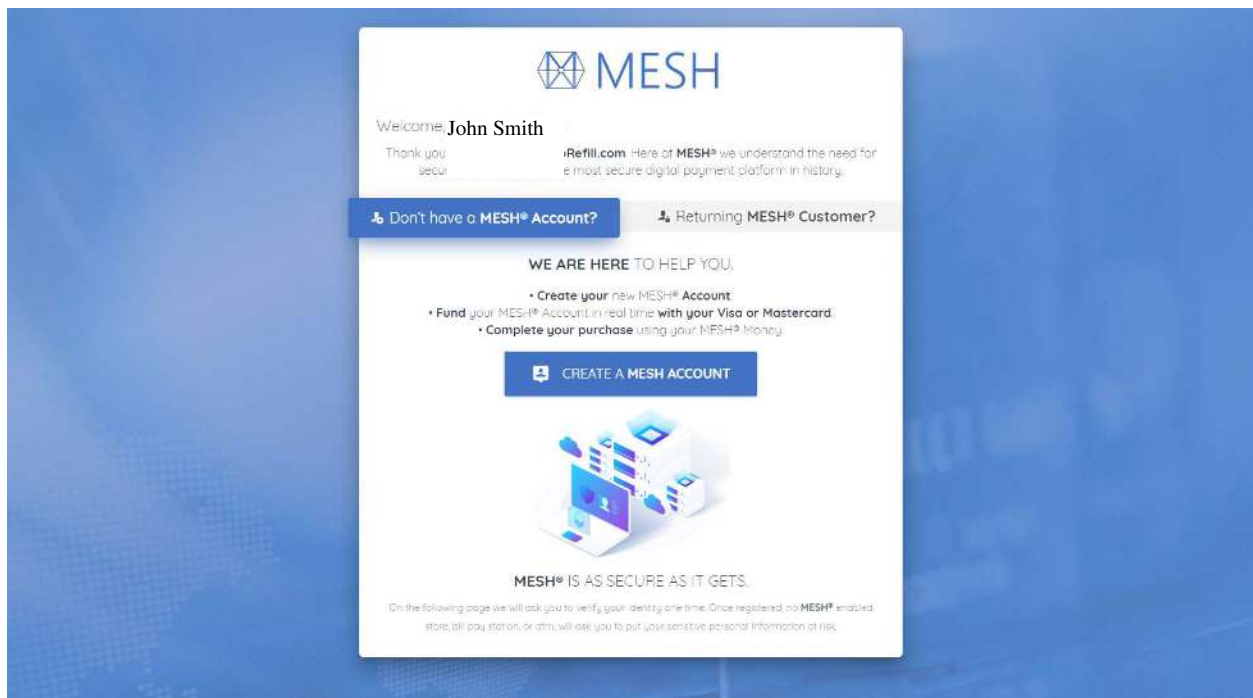

WE ARE HERE TO HELP YOU.

- **Create your new MESH® Account.**
- **Fund your MESH® Account in real time with your Visa or Mastercard.**
- **Complete your purchase using your MESH® Money.**

[CREATE A MESH ACCOUNT]

MESH® IS AS SECURE AS IT GETS.

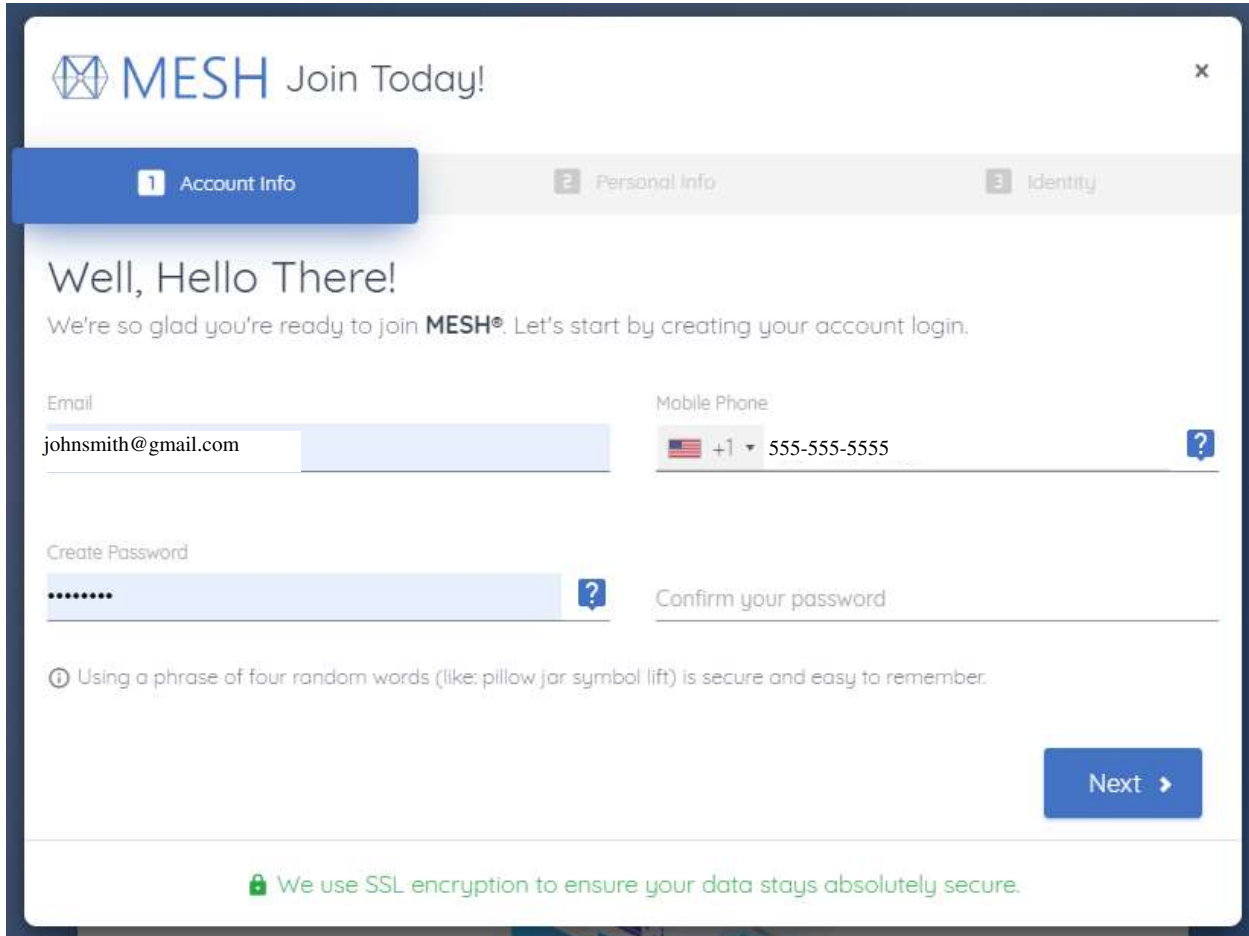

On the following page we will ask you to verify your identity one time. Once registered, no MESH® enabled store, bill pay station, or atm, will ask you to put your sensitive personal information at risk.

Register

Don't have a Mesh Account? Create a Mesh Account.

1- Account Information.

The screenshot shows the MESH registration interface. At the top left is the MESH logo and the text "Join Today!". Below this is a progress bar with three steps: "1 Account Info" (highlighted in blue), "2 Personal Info", and "3 Identity". The main heading is "Well, Hello There!" followed by the text "We're so glad you're ready to join MESH®. Let's start by creating your account login." The form contains several input fields: "Email" with the value "johnsmith@gmail.com", "Mobile Phone" with a dropdown for country (USA) and the value "+1 555-555-5555", "Create Password" with a masked password "*****", and "Confirm your password". A note below the password fields states: "Using a phrase of four random words (like: pillow jar symbol lift) is secure and easy to remember." A blue "Next" button is located at the bottom right. At the very bottom, a green lock icon and text state: "We use SSL encryption to ensure your data stays absolutely secure."

Password must be between 8 - 25 characters, and contain at least one lowercase, uppercase, numeral, and symbol (!@#\$\$%^&* () , . ?)

This phone number will be used for receiving an authorization code. You are consenting to be contacted at this phone number for the purpose of receiving an authorization code. Wireless and text message fees may apply from your carrier.

2- Personal Information

🔒 We use SSL encryption to ensure your data stays absolutely secure.

MESH IS AS SECURE AS IT GETS.

We can only accept your current residential address, not a P.O. Box or another address where you don't actually live. This is also where your debit card will be sent.

3- Identity

 **MESH** Join Today! x

1 Account Info 2 Personal Info 3 **Identity**

You're almost there.
For security purposes we need a few more details to prove that you're a real person.

Date of Birth Social Security Number

I agree to the terms and conditions listed below

Account Holder Disclosure Agreement

By pressing the **Finish** button I acknowledge that upon verification of my personal identification I will be issued a Checking Account by Bridge Community Bank. I certify under penalty of perjury the accuracy of the information provided in this application, that I am not subject to backup withholding, that I am a U.S. person (including resident alien), and I agree to be subject to the [terms and conditions herein](#).

In order to comply with banking regulations, the information you have entered will be sent to a 3rd party screening company for validation. Please carefully check what you have entered and make any necessary corrections. Please verify that your birth date and social security number are correct, and note that we cannot accept PO Box addresses.

 We use SSL encryption to ensure your data stays absolutely secure.

Your information will only be used to verify your identity, pursuant to the Patriot Act Title III section 326 and FinCEN [31 CFR § 1020.220](#) and will never be sold or shared with any unauthorized individual or organization.

2- Customer Verification

The image shows a mobile application dialog box titled "2-Step Verification". The dialog has a blue header with a white checkmark icon and a close button (x). The main content area is white and contains the following text: "We just sent you a message via SMS with your authentication code. Enter the code in the form below to verify your identity." Below this is another line of text: "Enter the security code sent to +1*****668". Underneath the phone number is a rectangular input field with a dashed line indicating where to enter the code. At the bottom of the dialog is a blue button with the text "CONTINUE".
